## Junior Newsletter Autumn 24

This year for the first time in many years we were lucky to have a volunteer to take on the job of Junior Competition Secretary. From reports we have he has made a strong start with lots of praise from parents. After a very successful first year with trips away we know that Phil and the Club are looking forward to 2025. Phil has already worked out a competition list for 2025 see below. The pictures in the following pages show the what the juniors have achieved.
